### **Marko Zoretic Receives the Croatian American Bar Association's 2014 Vinodol Code Award**

To commemorate the 10-year anniversary of his founding of the Croatian American Bar Association, we are pleased to announce that **Marko R. Zoretic** is the recipient of the 2014 Vinodol Code Award in recognition of his distinguished legal career and outstanding contributions to the Croatian-American community.

Marko is a partner in the Orange County office of Knobbe Martens LLP, one of America's largest Intellectual Property firms. His practice focuses on patent litigation matters related to a variety of technologies including consumer electronic devices, computer hardware and software systems, medical devices and industrial devices.

Marko Zoretic is the founder and inaugural President of the Croatian American Bar Association. He started the Association in 2005 and, since then, the Association has grown to over 120 members. He is also the founder and past President of the Canadian-American Bar Association (2009-2010). Most recently, in 2014 he founded the Association of Croatian American Professionals, for which he serves as President.

In a survey of his peers published in Super Lawyers magazine, Marko was named as one of Southern California's "Rising Stars" in intellectual property law (2014).

The Croatian American Bar Association is honored to present Marko Zoretic with the 2014 Vinodol Code Award. We wish Marko continued success in his career.

#### **About the Croatian American Bar Association (CABA)**

The CABA is an association of Croatian-American lawyers and Croatian lawyers from around the world. For more information, please visit [www.CroatianAmericanBar.com](http://www.CroatianAmericanBar.com). The CABA established the Vinodol Code Award to recognize persons of Croatian descent who have excelled in the practice of law and/or made an outstanding contribution to the law or legal scholarship. The award is named after the Vinodol Code (Vinodolski Zakon) written in 1288—the oldest legal text in Croatian and written in Glagolitic letters.
